How We Will Calculate Your Balance:

We use a method called "average daily balance (including new purchases)."

Application of Penalty APR:

Your APR may be increased to the disclosed Penalty APR if you are 60 days late in making a payment.

Effective Date:

The information about the costs of the card described in this application is accurate as of: October 1, 2024

This information may have changed after that date. To find out what may have changed, contact First South Financial Federal Credit Union.

Installment Plan:

We may offer you an Installment Plan which allows you to pay eligible purchases or eligible amounts over time, with interest at a non-variable rate and set payment terms. You can only create an Installment Plan if you receive and accept an offer. The offer will tell you the terms available, including the APR that will apply to that Installment Plan. Your APR depends on the transaction amount and payment term length you select.

For California Borrowers, the Titanium/Edge, Flex/Rewards and Platinum Advantage are secured credit cards.
